

# MINISTRY CONNECTION

*Pray ye therefore the Lord of the harvest, that He will send forth labourers into his harvest.*

**Matt 9:38**

Ever since the Lord called us to Indonesia, we have prayed that God would send more laborers to Indonesia. We have prayed that He would build an effective ministry team. We are excited to see the Lord bring about answers to those prayers. Not only have we been contacted by a number of people who have expressed interest in coming to Indonesia, the Lord has specifically answered our prayers for a new team member.

**Meet Susanna Ciaramitaro.** We had the joy of hosting Susanna on her survey trip in January. After much prayer, counseling, and seeking the Lord's direction, we are thrilled to announce the first team member to join Team Indonesia! Bringing her talents in music, her love for children's ministry, and her passion to reach souls for Christ, Susanna will be a tremendous asset to our efforts here.

Susanna will graduate from West Coast Baptist College this May and will immediately begin deputation. She will be sent out of Tabernacle Baptist Church of Concord, CA, and will be serving with BIMI also. I cannot give a higher recommendation of a young lady's character, initiative, and servant's spirit than that of Susanna's. Please consider her as a worthy candidate for your next missions conference. You can contact her directly to schedule at [susanna.teamindonesia@gmail.com](mailto:susanna.teamindonesia@gmail.com). We eagerly await her return to Indonesia, and we pray that you will take part in sending her here!

### MINISTRY PROGRESS

We attended the annual pastors' fellowship in January where Kristine was the keynote speaker for the ladies session. She spoke to over 70 ladies about being a Titus 2 woman. Not only did she do a super job with the session, she also exemplifies those traits of a godly woman each day.

As for Bukit Mulia Baptist Church (pictured left), we have seen God's grace in a mighty way over the past few months since the home-going of our national pastor. Not only has God's comforting hand been upon our congregation, but He has also given a renewed vision to move forward and reach souls with the Gospel. However, we are still in a leadership transition stage because the church has yet to make any permanent decisions concerning a new pastor. In the meantime, I am serving as Interim Pastor and carrying the full preaching load. Please pray for wisdom as I continue to equip, encourage, and lead this church through this time of transition. As for the possible radio ministry, I have made several sample programs and will be looking into presenting them at a couple of local stations. Please continue to pray for an open door!
